About IT-E151

IT-E151 rack mount kit is designed for using with IT6800, IT6900, IT6322, IT6120 , IT6400, IT6150 and IT6700 except IT6726 series power supply and IT8500 , IT8900, IT8811 and IT8812 series electronic load.

Operation

First please remove the carrying handle and the two front hand feet.

Action:

Grasp the handle and rotate it to a special position to let the arrow on the handle and the arrow on the front hand foot be in opposite directions. Fix up one side of the handle and pull another side outward, remove it from the front hand foot. And then remove the two front hand feet by a screwdriver.
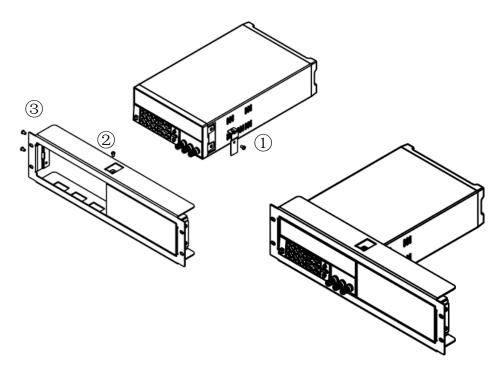

**the front hand foot**

Step for rack mounting a single instrument:

① Fix up the fitting on one side of instrument where the hand foot is by a bolt.
② Put the instrument into IT-E151 rack mount kit, fix up it together with the rack mount kit through the fitting.
③ Fix up the instrument with the rack mount kit from another side where the front hand foot is.
